

SmartDrain™ Rooftop Monitoring Sensor and Knovi™ Monitoring Technology

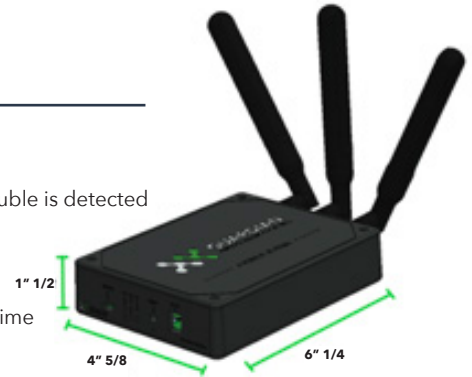

Detects rising water levels in clogged drains

FEATURES

- Sensor attached directly to drain
- Wireless communication
- Easily installed
- Comprehensive recordkeeping

BENEFITS

- Detects rising water quickly
- 24/7 monitoring sends automatic alerts if trouble is detected
- Begins protecting rooftops within minutes
- All data is available at your fingertips at any time

DESCRIPTION

With Knovi Monitoring Technology, SmartDrain sensors attached to your rooftop drains detect rising water levels around the drains and send automatic alerts through the SmartGateway™.

SmartGateway software ensures constant wireless communication between you and all the SmartDrain sensors on your roof, sending alerts and updates to your mobile device or PC to keep you informed of potential issues in real time.

Monitoring occurs 24/7, with all data captured in our comprehensive facility database.

BASIC USES

Detects and alerts you to rising water levels around your rooftop drains.

PACKAGING

Sensors can come individually boxed or in an introductory kit format, which includes a Smart Gateway and two SmartDrains. Each box contains sensors, comprehensive installation instructions and all other product related equipment for installation. Each box measures: 27.5" long, 11.8" wide and 6.7" in height.

PHYSICAL PROPERTIES - DIMENSIONS

MAINTENANCE

Your local Tremco Roofing sales representative can provide you with effective maintenance procedures which may vary, depending upon specific conditions. Periodic inspections, early repairs and preventive maintenance are all part of a sound roof program.

LIMITATIONS

While there are no known product limitations, failure to install the product correctly may result in it not operating properly.

PRECAUTIONS

Ensure proper safety precautions are being practiced at the time of installation. Users must read container labels and Safety Data Sheets for health and safety precautions prior to use.

TECHNICAL SUPPORT

Technical support is available through KNOVInstall@wtiservices.com. Your local Tremco Roofing sales representative, working with the Technical Service Staff, can also help analyze conditions and needs to develop recommendations.

WARRANTY

Each product has a 5-year hardware warranty from date of sale.
